

State College of Kentucky.

The Agricultural and Mechanical (State College) College of Kentucky, offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Normal School, Classical, Mechanical Engineering Electrical Engineering, Civil Engineering, each of which extends over four years and leads to a degree. Post graduate courses of study are also provided, leading each to a master's degree. Each course of study is organized under a separate faculty. The general faculty numbers more than thirty professors and instructors.

County Appointees receive tuition, room rent in dormitories, fuel and lights, and if they remain ten months, traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The last Legislature appropriated \$30,000 for a college home for young women and \$30,000 for drill hall and gymnasium for men. Military tactics and science are fully provided for and required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the college to supply.

Last year the matriculation list was 563.

TIME AND SPACE

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. "Foreign parts" are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are "next door" to us. What happens there to-day we know to-morrow—if we read THE CHICAGO RECORD, whose Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—the one medium of the most satisfactory information is the enterprising, "up-to-date" American newspaper, THE CHICAGO RECORD.

PEPSIN SYRUP CO.

Dear Sirs:—I feel it my duty to write to you and let you know how much good your medicine has done for me. Twenty-three years ago I was taken with some kind of stomach trouble and I tried everything I heard of. They did me but little good. Three years ago neuralgia set in on me and I got so poor and weak that I could hardly walk—couldn't work any. My husband received a book through the mail, advertising your medicine, and he sent our little boy to the drug store to get one of your ten-cent bottles. I began to use it. It is strange to say, but it's the truth, the second dose I took gave me lots of relief. I kept on using it for nearly a year and I am as strong as I was before and can do any kind of work. I recommend it to all for it seems to me it would cure anybody. I have gotten others to use it and they say Dr. Caldwell's Syrup Pepsin has done them much good. God bless Dr. Caldwell and his medicine for doing me so much good.

Yours Truly,
MRS. ISABEL WHEELER.

ASSOCIATION.

Baptists Gather At Trenton In County.

Rev. C. H. Nash Moderator And Next Meeting Will Be At Russellville.

The seventy-sixth annual session of Bethel Baptist Association convened at Trenton last week and remained in session three days.

Rev. C. H. Nash, of Hopkinsville, was elected moderator by acclamation, and Prof. J. H. Fuqua, of Russellville, was re-elected Secretary.

The address of welcome of the first session, by Pastor W. M. Wood, of Trenton, was responded to by Rev. J. N. Prestidge, of Louisville.

At the night session Tuesday Rev. J. S. Cheek, of Russellville, presided. Speeches were made by Rev. E. N. Dicken, Rev. C. H. Nash and others on "Missions."

On Wednesday Rev. J. S. Cheek read the report on Orphans' Home. The Home has Miss Mary Hollinsworth for Matron. She has always rendered the most efficient service. There are three children in the Home from Bethel Association.

Revs. Cheek and Prestidge made speeches on the report. Dr. Prestidge said every pastor in Louisville was deeply interested in the children and had the fatherly feeling for each child. At this juncture Rev. Edmund Harrison made a speech urging the Association to make an effort to liquidate the debt of \$1,170.10 on Bethel Female College, of Hopkinsville. About \$1,060.00 of the amount was raised.

In the afternoon Rev. J. A. McCord discussed the report on "District Missions." Rev. J. U. Spurlin also told of his rambles through the mountain districts, preaching the Gospel. Rev. J. A. Bennett read the report on "Schools and Colleges." The Baptists are proud of their advance along educational lines. This report was discussed by Revs. J. A. Bennett, E. S. Alderman, A. N. Couch and A. B. Cabaniss. Rev. J. S. Cheek read the report on "Foreign Missions," and it was spoken to by Revs. Cheek, Prestidge and Harvey.

Drs. Prestidge and Harvey spoke very eloquently of the mission work in China. All the Baptist missionaries are yet alive, and the probability is that they will not be hurt. No lack of interest is felt in the mission field of China. "God has wrought wonderful things, and it is possible for great good to come out of the present confusion and riot."

Dr. J. D. Clardy read the report on "Temperance." Strong ground was taken against the saloon and especially against any church member who would frequent such dens. At nine o'clock Thursday morning the Association came together for business. Rev. A. R. Bond, of Nashville, conducted devotional exercises, being assisted by several of the brethren. His theme was "The Abounding love." The exercises were very helpful. Rev. U. A. Ransom read the report on "Home Missions." For a short while there was a general discussion of the subject.

The subject of "Schools and Colleges" was again discussed by Prof. Harrison, of Bethel Female College.

Prof. W. B. Wilson prepared the report on "Ministerial Education," which was read by W. M. Wood. The subject was discussed by Revs. A. R. Bond and A. B. Cabaniss. Dr. E. N. Dicken offered a resolution of thanks to the good people of Trenton and vicinity for the kind and hospitable treatment received at their hands since the arrival of the Association.

The Association will meet next year at Russellville, in all probability in August. On this occasion the annual sermon will be preached by W. M. Wood; alternate U. A. Ransom.

All the various committees made their reports after which the body stood and sang "God Be With You Till We Meet Again," extending the parting hand.

For much of the above report we are indebted to the Trenton Democrat.
